## ABOUT ME

Creative and Passionate filmmaker, with experience producing short films and crafting props. Enthusiastic about gaining hands-on experience in the film industry, and developing my skills as a filmmaking artist. I am adaptable and committed to delivering high-quality work on and off-set.

## WORK EXPERIENCE

### Camera Operator

2024 - Present

#### Teesside Karting

I have been working for Teesside Karting as a Live-event camera operator, having to work long hours in the elements, set up cameras, and pack them away at the end of the shift, this job takes a lot of coordination and teamwork making sure to stick to a time schedule.

### Scare Actor

2023 - Present

#### Scream Factory Kirkleatham

since 2023 I have been working annually as a scare actor, this job has us following strict schedules and interacting with customers constantly, and improvising depending on the group at hand. This role has us outside in the elements for hours at a time late at night whatever the weather.

### Bar Tender

2022 - present

#### Riverside Stadium

I am a Bartender, floor runner, and back bar for a private room in the riverside stadium for home matches, I have done this each season since 2022.

### prop making

2020 - present

#### Independent Projects

For years I've made props for my own projects. This has involved Foam carving, puppet making, wood carving, clay/paste modeling, sewing, etc... and I'm interested to learn more.

## EDUCATION

### Teesside University

2022 - 2025

#### Film & Television Production BA(hons)

- Was a recipient of the Franc Roddam Scholarship

### Northern School of Art

2020 - 2022

#### Interactive Design - Distinction

- Was nominated for Principles Choice
